

UNITED STATES DISTRICT COURT
FOR THE
DISTRICT OF GUAM

UNITED STATES OF AMERICA
Plaintiff,

vs.

GEORGE J. BAE,
Defendant.

CRIMINAL CASE NO.: 03-00039-001

TRAVEL STATUS AND REQUEST FOR
EXTENSION

On April 20, 2006, Mr. Bae was granted permission to travel to Incheon, South Korea, from April 21, 2006 to May 21, 2006, for treatment for emphysema and heart disease. On May 19, 2006, this Officer received a telephone call from Mr. Bae's daughter, Jennifer Bae, who related that her father has not returned from Korea as his physician felt his health was too critical for travel. Ms. Bae stated that her father was diagnosed with lung cancer and had undergone radiation treatment. She further indicated that the radiation treatment did not eradicate the cancer and the doctors have stated that surgery is not an option. Ms. Bae stated that the doctors have requested that Mr. Bae be allowed to recover in the hospital for approximately seven to ten weeks in order to travel to Guam.

To date, Mr. Bae has satisfactorily complied with his conditions. The Court had authorized similar travel on numerous occasions, and Mr. Bae returned without incident.

In light of the above information, the Court's authorization for a travel extension to July 31, 2006 is requested.

Respectfully submitted this 31st day of May 2006.
